NEW COLLECTION

Amtico*Décor*
with Amtico Signature

Introducing Amtico Décor, a premium collection of stylish flooring that will take you effortlessly back to the Victorian era. This heritage collection will bring the opulence, flair and creativity of this lavish period into your home.

For this intricate flooring, each piece fits perfectly together to create the finished design.

New Amtico*Décor*

The starting point for this timeless collection was original designs revived from the Amtico archives, paving the way for a collection that works equally well in traditional and contemporary settings.

This versatile flooring can be used to fill an entire space or as a statement border to create a beautifully detailed point of interest.

Each tile is finished with bevelled edges.

Uniquely **amtico**

Corona Azure

Muted grey and stone blue create this stylish and simple design. The delicate use of five colours makes this an accessible choice, perfect for living spaces.

Created with Mirabelle Crème, Graphite Slate, Sky, Blue, Grey

Corona Sepia

The earthy tones of the five colours in this design are interrupted by a burst of blue. This versatile flooring would work well as a complete floor or standout border and perfectly suits a traditional scheme.

Created with Tan, Graphite Slate, Mirabelle Crème, Blue, Brown

Geo Oyster

The contrasting colours in this muted flooring create an elegant and memorable finish. A gentle silver fleck adds a hint of intrigue to this calm and understated combination.

Created with Glint Orly, Mink

Geo Ecrú

The clever combination of soft grey and warm cream stone creates an inviting and versatile combination that brings a traditional pattern in to a home.

Created with Mirabelle Crème, Grey

Geo Graphite

The subdued, dark palette combines grey and charcoal, creating a subtle monochrome finish that will create beautiful floors throughout an interior spaces.

Created with Graphite Slate, Grey

Amtico*Décor*

Corona Pattern - This traditional Victorian style tile re-invents a classic. Complementing colours and repeating shapes join together to form a kaleidoscope pattern that creates a welcoming entrance.

Geo Pattern - Taking its name from Geometric; Geo is a contemporary pattern created from squares and triangles. Re-create traditional tiled spaces with this versatile tile. Let the pattern flood the floor or use as a border to frame statement interior pieces.
