Craftsmanship

Inspired and inspiring; full of charm and character, our Art Select Wood collection brings the natural beauty of real timber to life in your home.

Through meticulous attention to detail and careful selection of the most beautiful and inspiring natural timbers, Art Select includes our most intricate designs and realistic embosses.

Each plank is handcrafted to reflect the unique grains, knots and textures of natural timber, but unlike real wood, we're able to design a floor that's not only beautiful and realistic, but also practical.

Everything that a beautiful wood floor should be, and so much more, each of our Art Select Woods tells its own story.

Find your inspiration inside.

Nature is our inspiration and the start of our journey to adapt, perfect and deliver floors that are both stylish and durable. With our Art Select Wood collection we have taken extra care to ensure each and every product not only looks beautiful in your home, but also makes your life a bit easier by offering all of the beauty and sophistication of real timber, without the practical drawbacks.

From the moment you step out of bed to face the day, until the time you get home to unwind, your Karndean floor will be with you every step of the way.

Muddy footprints are no match for your Karndean floor, so you're free to spend less time worrying and more time living.

Art Select Oak Royale

Inspired by the natural warmth of traditional oak flooring, our Oak Royale collection is one of a kind, featuring an array of realistic oak grains and wide range of colour hues.

With all the charm of aged wooden floor boards, this beautiful collection offers some of our most intricate designs featuring realistic grain and knot details, to create a truly authentic look.

Designed in a larger plank format with a unique satin finish, each Oak Royale plank has been crafted to reflect the gentle ripple and hand-scraped texture of real oak flooring.

Satin finish: This subtle reflection is perfect for achieving a sleek and modern look in your home.

Art Select Oak Premier

Inspired by the transition from dusk to dawn, our Art Select Oak Premier collection takes you from the beautiful, classic golden tones of our 'Dawn Oak' through to the statement pitch black hues of 'Midnight Oak'.

Full of warm, variable oak tones and crafted to match the traditional look of real oak flooring, each of our Oak Premier designs will create a really homely, classic look in any space.

Room to Room: Look to achieve a consistent flow in your home by pairing our stunning Parquet designs with their matching full sized planks in adjoining 'room to room' layouts.

Art Select Handcrafted

Rich and rustic, our stunning Handcrafted Woods collection takes its inspiration from the deep, smoky essence of three kitchen cupboard spices – Paprika, Peppercorn and Nutmeg.

Warm and inviting, each design has been delicately handcrafted with a registered emboss to follow the exact grain and knot details of the design for a truly authentic look.

If you adore the look and feel of rustic aged timber but want to avoid the hassle of sanding and waxing real wood, look no further than our Handcrafted woods.

Art Select Parquet

Inspired by traditional 'parquetry', we've taken classic parquet and crafted a collection that will transform any room in your home with our most intricate and elegant oak designs.

From the calm hues of 'Blond Oak' to the midnight hues of 'Black Oak', there's sure to be a colour to match your interior style. Charming and sophisticated, our parquet flooring can be arranged in a variety of patterns.

Make the most of open plan living spaces and 'room to room' layouts by teaming our stunning Art Select Parquet designs with their matching full length planks.

Herringbone: Look to the striking diagonals of this design to give a real sense of style in living and dining spaces.

Shaker Style: This design comes pre-assembled in a traditional shaker style pattern, enhanced with individual design strips and a parallel border.

Block Design: A modern take on a classic look, this block design is achieved by laying three horizontal pieces against three vertical pieces in a continuous pattern.
